About us –

The Montgomery Bucks Dental Society

As an organization, **MBDS** includes a network of informed and proactive dentists. We provide education, services and social activities for our members. We support the growth and professional success of our members, and represent their interests within the dental profession.

This makes **MBDS** the ideal choice for access to and interaction with our membership!

A sponsor relationship positions you favorably with our large and active membership.

Benefits of support:

- ❖ Marketing your company's name to the members of the largest component dental society in Pennsylvania-800+ dentist's offices (average 5 staff per office)
- ❖ Table at meeting, with the privilege of placing promotional materials on tables
- ❖ Announcement of sponsor's support at CE course or Evening meeting (from podium)
- ❖ Sponsor name in electronic notice for evening meetings
- ❖ Sponsors receive mention in email blasts sent regarding the event
- ❖ Sponsors receive mention in Bulletin issues, as time and space permits
