Distinguished Speaker Series

Monday, Sept. 12, 2022
Normandy Farms, Blue Bell, PA

Dr. Amid Ismail
Presents

**Dental Education
& Dental Practice:
Future Opportunities**

After a short presentation, Dean Ismail will engage with the audience to discuss the current and future opportunities for integration of clinical dental education and practice. He will focus on Temple University Kornberg School of Dentistry new emphasis on patient-centered care and outcome-driven comprehensive oral healthcare.

Dr. Amid I. Ismail, BDS, MPH, DrPH, MBA, is the Laura H. Carnell Professor and Dean of Temple University Kornberg School of Dentistry, Philadelphia, Pennsylvania, USA. He has extensive public health, academic, research, and community organization experiences. He has a Master and Doctorate degrees in Public Health, and a Master of Business Administration degree from the Ross School of Business at the University of Michigan. He is a Diplomate of the American Board of Dental Public Health. He has

President's Message

Dear Members:

It is a great honor to be elected as President of the Montgomery Bucks Dental Society, and I am looking forward to an exciting year. As this new chapter unfolds, I've been reflecting on all of the changes that we have been through in the last 2 years and what I've learned from this time. We had to cancel all in-person events, stay 6 feet apart, and wear masks. We spent hours looking at Zoom windows and staring at computer screens and Netflix queues. It forced us into a digital world much smaller than our own, full of echo chambers with people repeating the same ideas and thoughts. It created a pattern that felt isolating and lonely.

One of my goals for the upcoming year is to reinforce the human connection that is beneficial for us all. I challenge all of our members to

come to one event this year and speak with someone they've never met before. The personal and professional relationships I've developed through MBDS have made me a better dentist and a happier person. I have spent time in online groups where members post anonymously because they are afraid of being judged and criticized. Having a strong network of friends and colleagues allows us to grow and learn in a positive way, and MBDS offers that right in 'your own backyard'. All members receive a complimentary dinner at our Monday night meetings and I encourage everyone to attend.

I also want to take the time to thank our Immediate Past President Dr. Andrew Steinkeler who has done an excellent job keeping our organization strong during a very difficult time.

I hope everyone has had a relaxing summer and I look forward to seeing you at a MBDS event this fall!

Sincerely,

Matt Garbin

Matt Garbin

VALLEY FORGE DENTAL CONFERENCE®

FRIDAY, OCTOBER 28, 2022
VALLEY FORGE CASINO RESORT
6 HRS CE CREDIT

Class: 8:30 AM - 4:00 PM, Includes lunch

FEATURING: Barbara J. Steinberg, DDS
 Clinical Professor of Surgery at Drexel University College of Medicine, as well as Adjunct Associate Professor of Oral Medicine at the University of Pennsylvania School of Dental Medicine. Dr. Steinberg specializes in the treatment of medically complex patients and woman's health issues.

ANOTHER MEMBER "FREE" CE EVENT!*

*Sponsored by the 2nd District Dental Association - This event is free to verified members of Bucks, Chester, Delaware, Lehigh, Montgomery and Northampton County Dental Societies.

INTIMATE PARTNER VIOLENCE (IPV) POST-COVID LOCKDOWN

INTIMATE PARTNER VIOLENCE POST-COVID LOCKDOWN

Emotional recovery period post-COVID may be prolonged for those who worked to keep feelings of physical and mental fragility at bay during the pandemic. For some, marital, partner and familial stressors have gone from normal tensions to intimate partner violence (IPV). The stay-at-home restrictions, preventing the spread of COVID-19, increased these incidents of IPV.

Members of the dental team will learn:

- The incidence, risk factors and manifestations of IPV
- Identify oro-facial and head and neck findings caused by physical abuse
- Communication techniques to approach patients with suspected trauma secondary to IPV

INTIMATE PARTNER VIOLENCE (IPV) POST-COVID LOCKDOWN

THE 4 "S's" OF OPTIMAL AGING POST-COVID:

- SEX
- SLEEP
- STRESS
- SOCIAL NETWORKS

Dr. Steinberg will present the impact of sex, sleep, stress on disease and aging post-COVID. The importance of social networks, optimism and laughter and their benefit to successful aging will be discussed. Unfortunately, the pandemic has had a negative impact on these parameters for successful aging. In a fun and entertaining format, participants will learn how to get on the road to aging well in these post-COVID times.

Learning Objectives:

- Discover the commonalities of successful aging and disease prevention.
- Discuss the impact of sex, stress reduction and sleep in maintaining a healthy life in these post-COVID times.
- Understand how optimism, strong social networks, and life filled with laughter create the healthiest lifestyles.

SLEEP • STRESS • SOCIAL NETWORKS • SEX • SLEEP • STRESS

EATING DISORDERS:

MEDICAL, DENTAL AND ORAL HEALTH CONSIDERATIONS

Eating disorders represent a complex spectrum of chronic illnesses, with medical and psychologic complications that lead to the second highest mortality of all psychiatric disorders. Members of the dental team play an integral role in helping to identify those patients with undiagnosed eating disorders.

Learning Objectives:

- The attendee will gain an understanding of the psychologic and medical issues associated with eating disorders.
- The attendee will be able to identify oro-facial manifestations associated with eating disorders.
- The attendee will learn how to address and manage the dental issues associated with eating disorders.
- The attendee will gain an appreciation of the negative impact that COVID-19 has had on eating disordered individuals.

Seminar #2, Friday, November 18, 2022

Level: For Entire Team

Dr. Paul Goodman – *Confusion is the Killer of Case Acceptance***NOTE: This course will be held at Normandy Farms Conference Center Silos Ballroom**

ABOUT THIS COURSE: Improving your daily dentisting life requires a commitment to enhancing clinical techniques, patient communication skills, practice management systems and taking care of yourself as the dentist. In this course, Dr. Paul Goodman will discuss systems to help get your day started with your team successfully, review overcoming daily challenges within your dental practice, and help you create a streamlined approach to case presentation.

PAUL “DR. NACHO” GOODMAN’S dream was not to be a dentist. It was to play in the NBA for the Philadelphia 76ers. That dream did not work out because he was too slow and lacked the traditional body type of an NBA star. His second dream was to star with George Clooney in the hit TV show from the 90s... ER. Unfortunately, only his grandmother, Baba, thought he was handsome enough for that role and there was the small issue of Paul having no training as an actor. Following in his father’s footsteps, Dr. Paul Goodman went to dental school at Penn and graduated in 2002. He went on to complete a multiyear general practice residency where he placed and restored 150+ implants

during the program. A multipractice owner with his brother in New Jersey, Dr. Paul Goodman is also a transitions broker and buyer coach. As a speaker and influencer in the dental community, Dr. Paul Goodman has been invited to present at a multitude of diverse events across the county, including the Dental Success Summit with Dr. Mark Costes, Voices of Dentistry in Arizona and the Greater New York Dental meeting. In February of 2017, Dr. Paul Goodman founded his company, Dental Nachos, and *Dr. Nacho* was born. Dental Nachos is a Facebook group that has grown to over 35,000 members and features a forum for dentists to connect with each other based off of one rule only- spreading kindness (and occasionally posting pictures of Nachos). After creating Dental Nachos, Dr. Paul Goodman was able to start his second company, Dentist Job Connect, in 2021. Dentist Job Connect is a program committed to assisting dentisting humans in their next career step, whether it be purchasing a practice, hiring an associate, or getting their first job out of dental school!

Seminar #3, Friday, February 24, 2023 (THE DAY WILL INCLUDE 3 TOPICS)

Level: For Entire Team

Dr. Angela Stout, DMD, MPH & Mary Pugh, Esq. – *Act 31 Child Abuse Recognition & Reporting*Dr. Steven Moriconi, DMD, FACD, FICD - *Act 124 Pain Management Alternatives & Identification of Addiction*Dr. ?????????? - *????? Radiology*

ABOUT THIS COURSE: PDA’s program, *Child Abuse Recognition and Reporting for Dental Professionals*, is approved by the Department of Human Services and the PA State Board of Dentistry and will fulfill Act 31 mandatory CE requirements for licensed dental professionals (dentists, hygienists and EFDAs).

COURSE OBJECTIVES:

- Understand categories of child abuse as defined by the Child Protective Services Law.
- Recognize universal child abuse indicators.
- Recognize clinical and intraoral pathologies of physical and sexual abuse.
- Understand the legal responsibilities as mandated reporters.
- Know when, how and where to report suspected abuse, and what happens after a report is made.
- Understand the protections for reporters and penalties for failure to report.

ATTENTION: Attendees will be asked to provide their full name, license number, date of birth and the last 4 digits of their social security number at the course. PDA will transmit this information to the state to verify that you completed the course.

DR. STOUT is a pediatric dentist in private practice in Erdenehim, PA as well as a Clinical Assistant Professor of Pediatric Dentistry at University of Pennsylvania School of Dental Medicine and the Kornberg School of Dentistry at Temple University. She completed her dental degree in 1993 at Temple University School of Dentistry and a three-year pediatric dental residency at the Children’s Hospital of Pittsburgh in 1996. While teaching full time at University of Pittsburgh School of Dental Medicine, Dr. Stout completed a Masters Degree in Public Health at University of Pittsburgh Graduate School of Public Health. Dr. Stout is a passionate child advocate in the prevention of child abuse and neglect. She is a Diplomate of the American Board of Pediatric Dentistry and a Fellow in the American College of Dentists, the International College of Dentists, and the American Academy of Pediatric Dentistry. Dr. Stout is a graduate of both Leadership Institutes of the Kellogg School of Management and the Wharton School of Business. She specializes in the care of infants, children, adolescents, and special needs patients and especially enjoys her relationship with many of the families that are part of the Trisomy 21 Program. *Dr. Stout has no relevant financial relationships to disclose.*

MARY PUGH received her bachelor’s degree from Rosemont College, graduating summa cum laude. She received the Genevieve Blatt Award and Esther Sylvester Law School scholarship to Villanova Law School where she served as a member of the Law Review from 1985-1986. As a trial attorney, Ms. Pugh concentrated her legal practice in the area of medical malpractice, working solely in the defense of physicians and hospitals. She has represented defendants in Montgomery, Philadelphia, Delaware, Chester, and Bucks Counties and has been involved in all areas of representation, from pre-trial through post-trial. From 2001-2005, Ms. Pugh focused upon appellate law, researching cases, brief writing, and arguing cases in all of the courts of Pennsylvania. In 2005, Ms. Pugh became a child advocate for Montgomery Child Advocacy Project, MCAP. In 2006, she became the Executive Director for MCAP running the day-to-day operations including public relations, financing, marketing, and outreach. She also promotes the rights of children and child welfare reforms locally and nationally and expands initiatives in child abuse education and advocacy. *Ms. Pugh has no relevant financial relationships to disclose.*

ADAPT is a service offered through ADA Business Innovation Group to foster relationships between dentists at key points in their careers. ADAPT matches dentists who are looking to join practice with owners who are seeking a partner, associate or someone to purchase their practice.

Secure or Start Your Legacy with ADA Practice Transitions

ADA Practice Transitions (ADAPT), a service offered by the ADA, makes the process of buying, selling, or joining a dental practice more predictable and successful. However, ADAPT isn't just another listing service. Instead, it connects dentists who share a similar practice approach – which leads to more successful transitions and careers.

ADAPT Matches Like-minded Buyers and Sellers

ADAPT Advisors help practice owners find the right associate or buyer who will carry on their legacy. ADAPT also helps dentists purchase practices or find associateships where they can thrive.

ADA Practice Transitions is opening nationally!

ADAPT is not a national service. That means that no matter where you want to practice, ADAPT can help you find the perfect fit. Answer three quick questions to become an ADAPT Insider and receive early access to create your profile

How ADAPT Works

ADAPT can help you sell, buy, or join a practice in three steps.

- 1. Create Your Online Profile** - Build and submit your profile to your ADA advisor.
- 2. Work With Your ADA Advisor** - Receive matches for review, knowing you are supported every step of the way.
- 3. Achieve Transition Success** - Match with the dentist or practice that aligns best with your personal and professional goals.

Continued from Page 1

published over 130 referred papers and several book chapters. He has received over \$15 Million in research funding throughout his career.

Dr. Ismail has led the transformation of Temple University Kornberg School of Dentistry to become a vital player in the university's community engagement, research, and graduating clinical competent dentists. He has extensive experience working with faculty, several of the schools and colleges, and in working with all the service units. His quest for excellence with compassion and kindness has created an engaging and happy environment at the dental school among the majority of students, faculty, and staff. He is a lean manager who has been focused on the return of tuition funds to benefit the students and Temple University.

Dr. Ismail is a recognized leader in global education and in bridge building in areas of conflict such as between colleagues in Israel and Palestinian Authority. He collaborates with the American Jewish Committee to fight anti-Semitism. He respects and values the diversity of disciplines at Temple University, empowering schools and colleges to take responsibility and be accountable, and in the need for academic business models that engage and empower faculty to reach the highest level of excellence in education, service, and scholarly contributions.

Montgomery Bucks Dental Society Meeting Minutes are posted and available on our website: www.mbds.org from the home page using the "For Dentists" tab on the left and then the "Meeting Minutes" tab and clicking on the button there.

Handouts & Wi-Fi for CE Courses

Any relevant handouts for the MBDS continuing education series lectures will be posted on the MBDS Continuing Education webpage shortly before each session.

If attending a course, please check the webpage:

<http://www.mbds.org/Education.html>

and print out the handout pages.

There is also Wi-Fi available on-site so you could also bring a device and view them during the presentation if you desire.

Our mission is to encourage the improvement of the health of the public, foster excellence and ethics in dentistry, to provide a network of informed, proactive dentists, to enhance the image of the profession to the public, to provide education and services to the members, to support the growth and professional success of the members, and to represent the interest of the dental profession and the public which it serves.

Membership Benefits in the Montgomery-Bucks Dental Society include:

General Membership Meetings

- Meet with your colleagues at these evening dinner meetings offering lectures by a variety of speakers.
- Members receive one complimentary dinner annually.
(Prospective members are able to arrange to attend one evening program free of charge.)
